

NAVAN

by quicksilver

Life becomes more interesting when
life becomes more everything.

That's the reason we designed to be different.
Engineered to be all-encompassing.
Navan's innovative and comfortable design creates a
unique space for next-level possibilities.

To shape and share new memories.
To discover uncharted territories.

Navan C30 & S30 embody an unprecedented
array of innovative features.

The S30's pivoting cockpit allows boaters to smoothly shift
between driving the wheel and driving the conversation.
A flip of a switch reveals a fully equipped galley and
comfortable dining area.

The C30's unique salon aft flip-up window
opens a way to escape nature's vagaries.

Navan hits the mark for even the most seasoned boaters.
It opens a world of versatility and comes with everything
but the memories.
